

Your Career. Inspired.

Audit services

kpmgcampus.com

A meaningful career in an essential profession

More than ever before, auditors perform work critical to the global economy and to companies and communities worldwide. Consider how:

- Big data and new technologies are disrupting industries
- Increased regulations and higher reporting standards require effective financial oversight
- Capital markets need high-quality audits to invest confidently and function properly
- Real-time insights and deep analytics are necessary to compete in fast-moving markets and to manage complex enterprises
- Boards and business executives need reliable information and insight to make critical decisions

If you are inspired by such important work, KPMG Audit may be the place for you. We are growing and seeking talented candidates who want to define the next generation of audit.

Countless opportunities to grow

KPMG Audit is about opportunities to create the career you want.

What you can expect:

- Access to advanced tools and technology, including eAudit workflow and increased data samplings through exclusive partnership with IBM Watson
- The firm to invest in you by providing up to 200 hours of training in first two years of employment
- Attractive financial compensation and benefits
- A chance to work with interesting clients (both public companies and private enterprises) and some of the world's best-known companies, such as American Airlines, Costco, Dish Network, General Electric, and Macy's
- An opportunity to work with partners, managers, and senior associates who actively "live the values"

- With 10,000 mentoring relationships across the firm, our partners and professionals are committed to fostering your growth and developing your leadership skills

No wonder we have been recognized by *Bloomberg Businessweek* as one of the Best 50 places to launch a career, by *FORTUNE* as one of the 100 Best Companies to Work For and as one of the 50 Best Workplaces for New College Grads and by the *Training Magazine* Hall of Fame.

Careers, not just jobs

KPMG Audit is a strong and vibrant business, giving you access to market-leading assignments at top global companies. There is a place for your skills, ideas, and interests here, along with opportunity to grow at your own pace. That means promotion when you are ready, not according to tenure or predetermined timelines. And perhaps that is why we are known for having high employee satisfaction rates and record low turnover.

Community impact

When you are part of the KPMG Audit team, you are here for a purpose, a big purpose that flows from our shared values to the world, improving the communities where we live and work. That impact is reflected in the over 55,000 service hours donated through our Volunteer Time Release program and the \$10.7 million pledged through our annual Community Giving Campaign.

A winning team

KPMG Audit's track record of client loyalty is a testimony to the value we can deliver.

- Fastest-growing Big Four Firm in 2015 with 15% revenue growth (*Accounting Today*)
- Only Big Four Firm with SEC client net wins from 2010 through 2016 (Q1)

KPMG Master of Accounting with Data and Analytics Program (the Program)

An innovative program from KPMG and leading business schools that combines learning + funding + doing to develop auditors in the data age.

The Program is the first of its kind to provide:

Specialized Knowledge: The curriculum, developed in collaboration with our partner universities, combines advanced accounting and auditing with specialized courses on technology and data and analytics, including hands-on use of software tools and data sets currently used by seasoned KPMG audit professionals.

Financial Assistance: KPMG will pay tuition, and reasonable costs for room and board, books, and technology/supplies fees.

Work Experience: The Program includes a Spring semester internship as well as a full-time position as an experienced associate with an opportunity for an accelerated leadership career track at KPMG for high performers.

Visit kpmgmasters.com and contact your KPMG recruiter to get all the Program details and qualifications!
